UPDATE: January 19, 2008, David Caron Videotape of Changing Light Shapes:
http://stephenvillelights.com/slnews_video002.html

Update February 14, 2008 Albuquerque, New Mexico - Today the images and brief video clip have been removed from this original February 6, 2008, Earthfiles report. The reason is that David Caron's 12-minute digital videotape was purchased in an exclusive license agreement on January 31, 2008, by Motion Picture Production, Inc., which produces *UFO Files* for The History Channel.

Independently and on or about the same date, Glen Rose pilot and businessman, Steve Allen, also paid cash to David Caron for a CD of Caron's 12-minute video. Steve gave me a CD copy in his Glen Rose, Texas, office the afternoon of January 31, 2008, for use at Earthfiles.com. I accepted the CD with the understanding that Steve Allen had paid cash for the video to David. But Steve did not execute a signed and dated license agreement with David Caron, so the cash deal was superceded by the Motion Picture Production, Inc.'s signed and dated agreement, a copy of which has now been shown to Earthfiles.com.

Here now is a list of the video frames from CD digital videotape originally provided by Steve Allen, Glen Rose, Texas, on January 31, 2008, and now removed from Earthfiles on February 14, 2008, to comply with the exclusive licensing agreement:

Digital Image # 1 = Slightly out-of-focus, disc-shaped aerial object, which caught David Caron's attention. He used his JVC video camera to tape twelve minutes, beginning at 10:10 PM Central, near the Stephenville Clark Field Municipal Airport. He was on the front porch steadying his arm and camera against a post on the porch. You can hear the local road traffic steadily coming and going throughout the videotape. You also hear David Caron speak periodically with another person in the house. At one point, the two discuss that the pulsing multi-colored patterns in the sky look like "hieroglyphs."

Digital Image # 2 = Turquoise, white, purple, and green "symbol."

Digital Image # 3 = Cyan, purple, turquoise and white "symbol" surrounded by purple-blue glow.

Digital Image # 4 = Orchid, white, turquoise and green "symbol" surrounded by navy blue glow.

Digital Image # 5 = Very long, looping "sky snake" segmented in colors of cyan, white, navy blue, turquoise, pink, orchid, green and fuscia. No surrounding glow.

February 6, 2008 Stephenville, Texas - On January 31, 2008, I was in Glen Rose, Texas, to interview Steve Allen, Owner, President and CEO of L & S Enterprises and Texas Freight, a trucking and transportation brokerage company in Glen Rose. [See **020508 Earthfiles.**] Steve said, "I have an amazing videotape to show you. The gentleman, David, who operated the camera brought a DVD to me at my office, I paid him some money and he said I could do whatever I wanted with the videotape. And I want you to have a copy, Linda."

David began running the camera at 10:10 PM Central, on Saturday, January 19, 2008, while standing on his home porch near the Stephenville Clark Field Municipal Airport on the east side of town. David braced his arm and camera against a wooden post on the porch. The total videotape runs for nearly 12 minutes. Occasionally David's voice can be heard, so audio was functioning. But David told Steve Allen he could not hear any sound

from the original disc that suddenly began projecting the colorful symbols that pulsed two per second, changing every 15 video frames. Thirty video frames equals one second.

The following is a sequence of images in order soon after the disc “turned into” the pulsing symbols. I looked through files of symbols drawn by people in the human abduction syndrome. I found some similarities to the Stephenville aerial symbols and will hope to do some comparisons with colored pencil sketches of the symbols in the future. If any Earthfiles viewer has information about these symbols, please email me at: earthfiles@earthfiles.com.

Video frames removed from this section:

22 individual frames of David Caron's digital videotape, excerpted approximately in the sequence in which they appear in the video. Goal is to compare with symbols drawn by people in the human abduction syndrome. All the Stephenville aerial symbols are segmented in a variety of colors as described above and which can be seen in this new February 9, 2008, still digital photograph taken by the wife of Dublin Constable, Lee Roy Gaitan, between 10:30 and 11 PM Central in the Dublin, Texas area.

February 9, 2008 - More Sky Symbols Over Dublin, Texas (Also see [021408 Earthfiles](#).)

At the center of many of the local Dublin and Stephenville, Texas, UFO investigations since early January 2008, is 43-year-old Lee Roy Gaitan, the Erath County Constable in Precinct 2, Dublin. Lee Roy has been Constable about four years and a police officer for seventeen years.

Not only is he investigating, he and his son were eyewitnesses themselves to remarkable aerial lights on January 8, 2008. Then on February 2, 2008, between 2:50 and 4:00 AM Central, Lee Roy videotaped a disc-like object that looked like a “spinning sun or Jupiter planet throwing off colored strobe lights. What was so odd about it was when I zoomed in, it looked like a triangle or pyramid inside of the spinning disc.” That videotape has still not been released to the public.

A week later on February 9, Constable Gaitan saw the same spinning aerial object again and his wife, Wendy, photographed with a digital still camera more pulsing lights in the sky. The aerial events started when Lee Roy received a call around 10:30 PM from a resident looking through a telescope between Dublin and Stephenville.

Then seven hours later at 5:30 AM Central, on January 20, 2008, a Glen Rose resident

named Joan had risen for a new day when she noticed symbols pulsing in the sky. She picked up her digital still camera and took the one image below. But she told Steve Allen that she watched the moving “sky snake” changing shapes for several minutes.

One of many pulsing symbols watched by Joan of Glen Rose, Texas, at 5:30 AM Central, on January 20, 2008, seven hours after David in Stephenville videotaped pulsing symbols for nearly 13 minutes. Image provided by Steve Allen.
