

Part 3: Real X-File, Source Unknown

Return to **Part 1**

March 2, 2008 Albuquerque, New Mexico - After posting Parts 1 and 2, I received a PDF from an Earthfiles viewer who stated: "Please see the PDF I have attached to see if this is the same thing you have. Thanks, Jim DeOwl (pseudonym)." His electronic PDF has 6 front pages and two end pages more than the xeroxed copy I received years ago. I have now **updated Part 1** with the introductory six pages, which include a Preface that states:

"The following document is believed to be the personal notes and scientific diary of a scientist who was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. He also wrote notes on or about any documents, which he came in contact with, which in any way related directly or indirectly to the organization, structure or operation for the collection of such data."

Jim DeOwl also emailed that he found the Blue Planet Project PDF in 2003 at: http://www.metatech.org/blue_planet_project_alien_research.html. "Everyone I have shown the Blue Planet Project papers to agree they are truly groundbreaking papers, with one or two exceptions who think whoever wrote the papers were smoking something they should not have been, but there are always those folks who refuse to believe such things."

Jim DeOwl also thinks the original assembly of the pages was by William Milton Cooper, who was killed in the late evening of November 5, 2001, by Apache County, Arizona, Sheriff Deputies attempting to serve an arrest warrant to Cooper for failure to pay taxes to the Internal Revenue Service.

Three years before in 1998, the IRS had issued several outstanding warrants for Cooper on charges of tax evasion and bank fraud. Cooper's Chinese-born wife, Annie, and their two daughters left the United States in June 2000. Cooper remained at his home in Eagar, Apache County, Arizona, and told local newspaper reporter, Glenn Jacobs, that "he kept an AK-47 just inside his front door by a magazine rack" and would not surrender to police.

I interviewed William Cooper in December 1988, for my first book, *An Alien Harvest* © 1989, after he told me by phone, "I couldn't live with the secret of it any longer." Bill Cooper said that back in 1972, before he was honorably discharged from the U. S. Navy, he saw two reports that related to American government involvement with non-human creatures. He saw the classified papers while working as a quartermaster between 1970 and 1973 with an intelligence briefing team for U. S. Admiral Bernard A. Clarey, then Commander-In-Chief of the Pacific Fleet.

Cooper told me that the two reports he saw were "Project GRUDGE/BUE BOOK Report No. 13" and "MAJORITY Briefing." In the GRUDGE report, Cooper said there were twenty-five black and white photographs of "alien life forms" and information about them. The MAJORITY report, he said, did not have photographs, but contained information about the government's growing concern with the alien interference on Earth.

Bill Cooper gave me permission to reprint computer-generated pages based on his memory of what he read. Those original pages were delivered to me on December 18, 1988, and are reprinted in *An Alien Harvest*, on Pages 179 to 191, first released in June 1989. He also did a recorded phone interview with me on January 10, 1989, and mailed his sketches of some of the photographed aliens he remembered. That interview with sketches is reprinted on Pages 197 to 213 in *An Alien Harvest*.

If Cooper had a legitimate contact by a government-insider-scientist which lead to the assembly of the 114-page Blue Planet Project, I would not be surprised. There is also the possibility that Cooper was the focus of government misinformation to damage the credibility of his first published Navy account in *An Alien Harvest*. Either way, I feel there

is value in studying the Blue Planet Project I found in a box of stored files from nearly twenty years ago.

Part 3 continues, beginning with Page 21 from my old copy of the “Blue Planet Project”:

THE ANTAREAN CONNECTION

OMNICORD

Time and UFOs - Time is one of the most important aspects of the UFO thing. It plays a strange, but significant role. Part of the answer may not lie in the Stars but in the clock ticking in front of you.

The planet Earth exists in three dimensions, we can move in many directions within these dimensions. Space does not exist except when we make it exist. To us, the distance between atoms in our matter is so minute that it can only be calculated with hypothetical measurements, yet, if we lived on a atom, and our size was relative to its size, the distance to the next atom would seem awesome.

There is another Earth's man-made measurement called time. Unlike the other three dimensions, time has us seemingly trapped. Time becomes very real to us, and it appears that we couldn't live without it. Yet time doesn't really exist at all. This moment exists to us, does this mean the same moment is being shared by other planets, in other galaxies ?, 'not really'.

The UFO phenomenon does seem to be controlled, this means it does follow intelligent patterns. If the objects themselves are manifestations of higher energies, then something has to manipulate those energies somehow and reduce them to the visible frequencies, for human patterns, but they take forms which seem physical and real to us, and they carry out actions which seem to be intelligent.

Thus, we arrive at the source, the source has to be a form of intelligent energy operating at the highest possible point of the Frequency Spectrum. If such an energy exists at all, it might permeate the Universe and maintain equal control of each component part. Because of its very high frequency, so high that the energy particles are virtually standing still, the source has no need to replenish itself in any way that would be acceptable to our environmental sciences. It could actually create and destroy matter by manipulating the lower energies. It would be timeless, because it exists beyond all time fields. It would be infinite because it is not confined by Three-Dimensional Space.

Perhaps if we were in a pure energy state, each particle of energy would itself serve as a synapse, and information could be stored by a slight alteration in frequency. All the memory fragments of a rose, for example, would be recorded at one frequency, and the whole energy form could tune into that memory by adjusting frequencies, as we might adjust a radio receiver, (well...well...well...where have we heard of this before!). In other words, no complex circuitry would be required, and no physical body would be necessary either. The energy patterns would not need material form, it instead would permeate the entire Universe, (Universe..... interesting small point of view of a gigantic concept of the reality of the MULTIVERSE). It could surround you completely at this very moment and be aware of all the feeble impulses of low energy passing through your brain. If it were so desired, it would control those pulses and thus control your thoughts. Man has always been aware of this intelligent energy or force, he has always worshipped it, i.e. God, Jesus, or the Universal Being, etc.

21

1. Our first conclusion is that some UFOs originate from beyond our own time frame or time cycle.
2. Our second conclusion is that the source has total foreknowledge of human events and even individual lives, since time and space are not absolutes.

These two conclusions are compatible.

It is that all human events occur simultaneously when viewed by a greater intelligence. If a greater intelligence wants to communicate with a lower form, all kinds of problems are presented. The communication must be conducted in a manner which will be meaningful and understandable to the lower life form, an acceptable frame of reference must be found and utilized.

The UFO phenomenon is frequently reflective; that is, the observed manifestations seem to be deliberately tailored and adjusted to the individual beliefs and attitudes of the witnesses. Contactees are given information which, in most cases, conforms to their beliefs. UFO researchers who concentrate on one particular aspect or theory find themselves inundated with seemingly reliable reports which tend to substantiate that theory, (?!).

Soviet researchers extensive experiences with this reflective factor led them to carry out weird experiments which confirmed that a large part of the reported data is engineered and deliberately false. The witnesses are not the perpetrators, but merely the victims.

The apparent purpose of all this false data is multifold, much of this is meant to create confusion and diversion. Some of it has served to support certain beliefs which were erroneous but which would serve as a stepping stone to the higher, more complex truth. Whole generations have come and gone, happily believing in the false data, unaware that they were mere links in the chain.

If it were all understood too soon, we might crumble under the weight of the truth. The planet Earth is covered with windows, (corridors, tunnels, and/or gates) into those other unseen worlds. We have the instruments to detect them, and if we decide to use them, we would find that these windows are the focal point for Super High-Frequency Waves, the rays of ancient lore. These rays might come from Orion or the Pleiades Star System as the Terrans' ancients claimed, or they might be part of the great force that emanates throughout this Universe, perhaps from the Antares Star System. The UFOs have given to the Terrans the evidence that such rays exist. Now, slowly, we are being told why.

Observers from the Antares Star System are watching the Terrans and they know the guidelines for "Warp Zones" come from the center of the Antares Star System and draw tunnels for several main points of this and other Universes. They are "Gates" for several travelers from all Universes. Of course there are many more focus points, when other rays come from around the Universe.

CROP CIRCLES PHENOMENA

CODE: SEC

Crop Phenomena: Circles Affair

The better way to understand the so called crop phenomena, (circles that appear in fields) is by the following example:

We, the people of Earth, exist at the 3rd dimension because our atoms have a specific frequency which makes us able to exist at the 3rd dimension. This specific frequency is stable enough for all our lifetime. One quick idea of dimensions tells us:

1st Dimension is just a plain point.

2nd Dimension is two points together connected by a line.

3rd Dimension is Density, Volume (us and our universe)

4th Dimension

Our main interest in this report is the:

TIME

5th Dimension ————— Parallel Universes or Multiverse

That's the whole idea behind the multiverse concept, not just one universe but an infinite number of parallel universes. Using math to make a simplification of this concept tells us that there are no limits of the higher or lower number that exist. It's impossible to figure these numbers like it's impossible to figure the extension of possibilities of the Multiverse.

If we are capable of accelerating or decelerating the frequencies to make us able to exist in the 3rd Dimension, we can jump to the 5th Dimension, or the Multiverse.

To understand this idea better, try to think that all this is just like listening to a radio set. When you listen to a radio set, you are listening to a single radio station, on a single frequency, by changing to a different radio station, you have to change to a different frequency. This is accomplished by the frequency tuning dial on the front of the radio set, but because you are listening to a single radio station, on a single frequency, does not mean that other stations on other frequencies do not exist, right.

Same thing with the other universes from the Multiverse, they're at other different frequencies than we are and we just don't know it yet. Why are we in the 3rd Dimension and they are in the 5th Dimension?, why not the reverse?, simple, 'its based on perspective, they see us as their 5th Dimension and we see them as our 5th Dimension'. Again, it is just a question of perspective.

The other dimensional travellers come to our dimension by using some process of acceleration of particles and give them the capability of jumping between dimensions, but why did they select England first, and then why the fields ?

The answer is England, had all of the right conditions for one of several civilizations that exist in the Multiverse to be able to contact us through crop circles. All answers of how they were able to accomplish this task lie in a vast prehistoric energy circuit.

England has a complex web of energy running in inter-links with tumuli, ancient graves and stone circles or henges, and all of the sites, henges, mounds and stone circles were constructed in relation to underground water linked with energy lines. This creates some sort of natural electro-magnetic force field created by the water, combined with the presence of underground quartz deposits. Also, the lunar gravitational effects on the water, land mass and the build up of a electrical magnetic charge from the quartz produces a periodic energy discharge.

The energy bolts give the necessary conditions for these other dimensional civilizations to be able to start experimenting with our universe and/or planet.

They have started to send probes here, in order to know more about the natural conditions of our universe and planet. The probes are limited to one specific semidome of energy, a circle, in a field where they have scanned the energy bolt.

In the above sketch, our eyes wouldn't be able to see the probe at that moment, because of our visual limitation, of not being able to see the frequencies between the frequencies of infrared and ultraviolet. Of course if you were able to detect the device using infrared or ultraviolet equipment, then you would be able to see it.

The crop circle phenomena didn't start now, or even a few decades ago, it started centuries ago and just got more and more complex. Normally you detect the proximity of a circle by ionization of the air near you, i.e. changes of the temperature and/or a characteristic sound produced by the acceleration of particles, when they are semi-stable at our reality.

They are now experimenting all over the planet. Always looking for similar conditions to England to send messages, 'very particular messages', using domes, which are fluxes of particles from their particle accelerator device.

Very soon they will be able to make a total materialization and real existence at our reality.

THE DULCE BASE

CODE: J.B. III

The following material comes from people who know the Dulce underground base exists. They are people who worked in the labs; abductees taken to the base; people who assisted in the construction; intelligence personnel, (NSA, CIA; etc.) and some specific UFO inner Earth researchers. This information is meant for those who are seriously interested in the Dulce base. For your own protection, be advised to "Use Caution" while investigating this complex. An ongoing investigation made by J.B. III, (Code: SR24.387).

The Dulce Base

This facility is a genetics lab and is connected to Los Alamos, via Tube-Shuttle. Part of their research is related to the genetic effects of radiation, (Mutation and Human Genetics). Its research also includes other Intelligent Species as well, (Alien Biological Life Form 'Entities'). In the revised September 1950 edition of *The Effects of Atomic Weapons*, prepared for and in cooperation with the U.S. Department of Defence and The U.S. Atomic Energy Commission, under the direction of the Los Alamos Scientific Laboratory, we read about how complete underground placement of bases is desirable. On page #381: 'There are apparently no fundamental difficulties in construction and operating underground various types of important facilities. Such facilities may be placed in a suitable existing mine or a site may be excavated for the purpose'.

Caught In the Game - Centuries ago, surface people, some say the Illuminati, entered into a pact with an 'Alien Nation', hidden within the Earth. The U.S. Government, in 1933, agreed to trade animals and humans in exchange for high-tech knowledge, and to allow them to use undisturbed underground bases, in the western U.S.A. A special group was formed to deal with the Alien beings. In the 1940's, 'Alien Life Forms, (ALFs)' began shifting their focus of operations, from Central and South America to the United States.

The continental divide is vital to these specific entities. Part of this has to do with magnetic substrata rock and high energy plasma states, (see: *Beyond the Four Dimensions*, reconciling physics, parapsychology and UFOs, by Karl Brunstein, and also: *Nuclear Evolution*, discovery of the rainbow body/aura by Christopher Hills).

- This area has a very high concentration of lightning activity; underground waterways and cavern systems, fields of atmospheric IONS, etc.

Who's Planet is this ? - These specific Aliens consider themselves Native Terrans. They are an Ancient race, decedents of a reptilian Humanoid species which cross-bred with some of the more primitive Uni-Terrestrial survivors. They are untrustworthy manipulator mercenary agents from another Extra-Terrestrial culture, 'The Draco's' who are returning to Earth, which was their ancient outpost before the coming of the original Uni-Terrestrials, to try to use it as a staging area, which is not easy at all, because it causes all the other one hundred seventy (170) different Alien species to want their share of the Metagene secrets. But, these Alien cultures are in conflict over who's agenda will be followed for this planet. All the while mind control is being used to keep humans in place, artificially of course, especially since the forties. The Dulce complex is a joint U.S. Government and Alien base. It was not the first one built with the Aliens and others are located in Colorado, Nevada, Arizona, Alaska, etc.

The Secret Activity - About Dulce area: Troops went in and out of there every summer, starting in 1947. The natives do recall that they also built a road, right in front of the people of Dulce and trucks went in and out for a long period. That road was later blocked and destroyed. The signs on the trucks were 'Smith Corp.' out of Paragosa Springs, Colorado. No such corporation exists now, no records exist, and I believe the base, at least the first one was being built then undercover of a lumbering project, who never hauled any logs at all, only big equipment.

R & D and the Military Industrial Complex - The Rand Corp. became involved by doing a study, for the base on geology around the near by lakes. Most of the lakes near Dulce were made, VIA Government Grants, 'for' the Indians, as such a completed Grant, the NAVAJO Dam is a main source for conventional electrical power, with the second source in ELVADO (which is also, an underground entrance to the Dulce base).

NOTE: If Rand is the mother of 'Think Tanks', then the 'Ford Foundation' must be considered the Father.

Rands secrecy is not confined to reports, but on occasion extends to conferences and meetings. On page #645 of the Project Rand, proceedings of the Deep Underground Construction Symposium of March 1959, we read:

'Just as airplanes, ships and automobiles have given man mastery of the surface of the Earth, tunnel, boring machines, will give him access to the subterranean world.'

NOTE: The September 1983 issue of OMNI, page 80, has a color drawing of 'The Subterrene', the Los Alamos Nuclear powered tunnel machine, that burrow through the rock, deep underground, by heating whatever stone it encounters into molten rock, (Magma), which cools after the subterrene machine has moved on. The result is a tunnel with a smooth, glazed lining. These underground tubes are used by electro-magnetically powered sub-shuttle vehicles, which can travel at great speeds. They connect the so-called 'Hidden

Empire' sub-city complexes. Also, the top secret project code-named 'NOAH'S ARK', uses the tube shuttles in connection with a system of over one hundred (100) bunkers and bolt holes, which have been established at various places on Earth. They built the same type of subterranean tunnels at the ultra top secret Moon and Mars bases as well. Many of these underground cities are complete with streets, sidewalks, lakes, small electrical cars, buildings, offices and shopping malls.

There were over six hundred fifty (650) attendees to the 1959 Rand Symposium, most were representatives of the Corporate Industrial State, like:

- | | |
|--------------------------------|-------------------------------|
| • The General Electric Company | • AT&T |
| • Hughes Aircraft Company | • Northrop Corporation |
| • Sandia Corporation | • Stanford Research Institute |
| • Walsh Construction Company | • The Bechtel Corporation |
| • Colorado School of Mines | • Etc. |

Bechtel (pronounced Beck-tul) is a super secret international corporation octopus, founded in 1898. Some say the firm now is really a "Shadow Government", a working arm of the CIA. It is the largest construction and engineering outfit, in the U.S.A., the world, and some say, beyond. The most important posts in U.S.A. Government are held by former Bechtel officers. They are part of 'The Web', an inter-connected control system, which links the Tri-Lateralist Plans, the C.F.R., the Orders of Illuminism, (cult of the All-Seeing Eye) and other interlocking groups.

Surviving The Future - The Dulce facility consists of a central hub, the security section, and also some photo labs. The deeper you go, the stronger the security. This is a Multi-Leveled complex, with over 3,000 cameras at various high security locations, i.e. exits and labs.

There are over one hundred (100) secret exits near and around Dulce. Many around Archuleta Mesa, others to the south around Dulce lake and even as far East as Lindrith.

NOTE: Deep sections of the complex connect into natural cavern system. A person who worked at the Base (CR-24/ZM 35-File IV), who had an 'Ultra 7-B' clearance reports the following:

"There may be more than seven levels, but I only know of seven. Most of the Aliens are on levels 5, 6, and 7. Alien housing is on level five (5)."

Transamerican Underground Subshuttle System, (T.A.U.S.S.)

Overt and Covert Research within Dulce - As U.S. Energy Secretary, John Herrington named the Lawrence Berkely Laboratory and New Mexico's Los Alamos National Laboratory to house new advanced genetic research centers as part of a project to decipher the Human Genome. The Genome holds the genetically coded instructions that guide the transformation of a single cell, a fertilized egg, into a biological being. "The Human Genome Project may well have the greatest direct impact on humanity of any scientific initiative before us today", said David Shirley, Director of the Berkeley Laboratory.

Covertly, this research has been going on for years, at Dulce labs. Level #6, at Dulce, is privately called "Night Mare Hall", it holds the Genetic Labs. Reports from workers, (CR-24/ZM 52-Files VII), who have seen bizarre experimentation, are as follows:

"I have seen multi-legged humans that look like half-human, half-octopus. Also reptilian-humans, and furry creatures that have hands like humans and cries like a baby, it mimics human words, and also huge mixture of lizard humans in cages."

There are fish, seals, birds and mice that can barely be considered those species. There are several cages, and vats of winged humanoids, grotesque Bat like creatures about three and a half to seven feet tall. Gargoyle-like beings and Draco-Reptoids.

Level #7 is worse, row after row of several humans and humanoids, (hundreds, perhaps thousands) in cold storage. Here too are embryo storage vats of humanoids, in various stages of development.

"I frequently encountered humans in cages, usually dazed or drugged, but sometimes they cried and begged for help. We were told they were hopelessly insane and involved in high risk drug tests to cure insanity. At the beginning, we were told never try to speak to them at all at the and we believed that story."

Finally in 1978, a small group of workers discovered the truth. It began the Dulce Wars, and a secret resistance Unit was formed.

NOTE: There are over 18,000 Aliens at the Dulce complex at this time.

In late 1979, there was a confrontation, over weapons, a lot of scientists and military personnel were killed. The base was closed for a while, but now, it is currently active again.

NOTES: 1. Human and animal abductions, for their blood and other parts, slowed in the mid-1980's, when the Livermore Berkeley Labs began production of artificial blood for Dulce and its sister complexes.

2. About the confrontation, Human and Alien at Dulce, eighty (82) people were killed between

scientists and the National Recon Group, the DELTA GROUP, which is responsible for security of all Alien connected projects. Also, there were hundreds of other wounded people and one hundred thirty two (132) dead Aliens.

This type of entity is one that abductees and contactees have seen in underground breeding facilities since 1963. They are bred by the thousands in underground facilities, the Dulce facility is the most well known place that this activity occurs, although there are at least another twenty six (26) bases within the United States that have similar facilities.

The Delta Group, within the Intelligence Support Activity, have been seen with badges which have a black triangle on a red background. A Delta is the fourth letter of the Greek alphabet, it has the form of a triangle, and figures prominently in certain Masonic Signs.
