

Updated Part 1: Real X-File, Source Unknown

© 2008 by Linda Moulton Howe

"The following document is believed to be the personal notes and scientific diary of a scientist who was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor." - Preface, Blue Planet Project

Updated March 2, 2008 after original filing **February 29, 2008** **Albuquerque, New Mexico** - Several boxes of old files and even unopened mail have traveled with me in moves from Colorado to Pennsylvania and then to New Mexico. This week I opened one of my long-taped boxes looking for materials I remembered from 1980s research. I discovered a package that contains more than a hundred pages entitled "Blue Planet Project, Alien Technical Research - 25, Westchester Camp, Office of Central Research # 3, Alien Life Forms, CODE: ARAMIS III - ADR3-24SM." No author or source is given, there is no cover letter, but the text indicates 1990 to 1991 might be the time period when the pages were assembled.

Reading the content in 2008, I think it is valuable to share with Earthfiles subscribers. After filing Parts 1 and 2 on February 29 and March 1, 2008, I received more information about the "Blue Planet Project" which I describe in **Part 3**. I am updating this Part 1 with six more front pages from an Earthfiles viewer's electronic PDF that were not contained in my xeroxed paper report.

Earthfiles, news category.

BLUE PLANET PROJECT

Alien Technical Research - 25

Westchester Camp

Office of Central Research #3

Alien Life Forms

CODE: ARAMIS III - ADR3-24SM

PREFACE

The following document is believed to be the personal notes and scientific dairy of a scientist who was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. He also wrote notes on or about any documents which he came in contact with, which in any way related directly or indirectly to the organization, structure or operation for the collection of such data.

This individual was discovered to have kept and maintained such personal notes and therefore was scheduled for termination. He narrowly escaped termination by the government and is currently in hiding out of this country.

We believe his involvement in these investigations span over a thirty-three (33) year period. He was soon discovered and immediately went into hiding in 1990.

We modified his personal notes only so slightly, and only when necessary to make them flow together and read correctly.

When you read this document, it may disturb you. The real facts have a tendency to do exactly that, but this information needs to get to the general public. I caution you to use your best judgement when allowing a minor child to read this document.

At this time, to the best of the data we have available, there are at least one hundred and sixty (160) species or races of Aliens from different galaxies, stars and planets we have encountered. You will find as much data (as we have available thru 1990) on each race in the following pages, as each race is discussed. There are still more Aliens we haven't encountered yet, but we feel it won't be long before we do...

There will be more to come later.....

Note – This document is the alleged result of the actions of one or more scientists creating a covert, unauthorized notebook documenting their involvement with an Above Top Secret government program. Government publications and information obtained by the use of public tax monies cannot be subject to copyright. This document is released into the public domain for all citizens of the United States of America.

U.S. COUNTER INTELLIGENCE ORGANIZATIONAL CHART

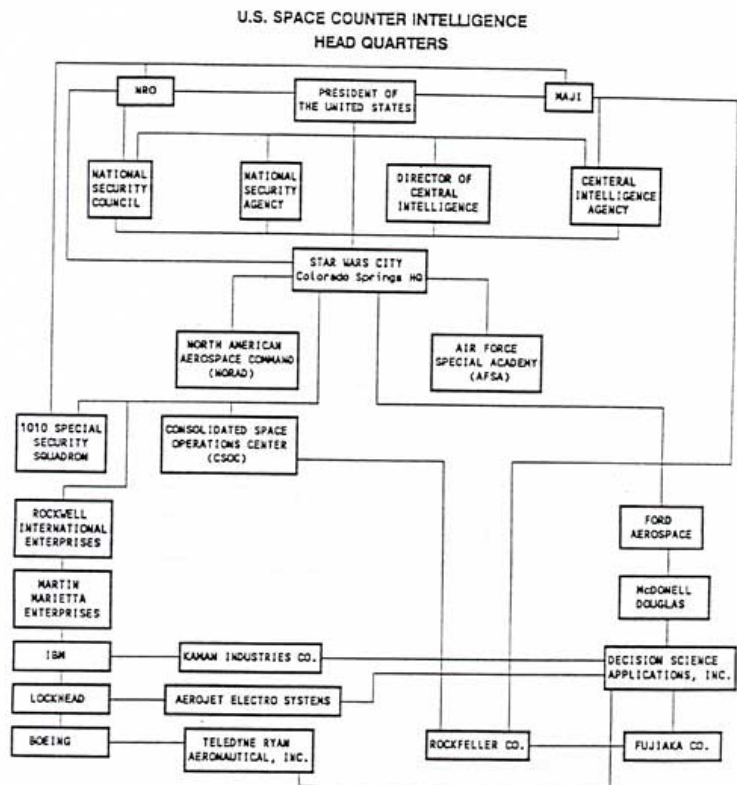

— Control
 — Coordination; Control of Budgetary Resources
 Coordination Only

STAR WARS CITY (SDI/01)

Code: Strategic Defense Initiative (SDI) also known as Spaceship Defense Initiative (Star Wars Project).

Control Location: Cheyenne Mountain, Colorado Springs.

The National Security Council, Old Executive Office Building, Washington, DC. 20506, Phone Number (202) 395-4974, was established by the National Security ACT of 1947 (61 Stat. 496;50 U.S.C. 402). President Truman signed the National Security ACT on July 26, 1947 and immediately named Secretary of the Navy Forrestal as the first Secretary of Defense. Forrestal and others were sworn in September 17, 1947.

The ACT established "under the National Security Council" a Central Intelligence Agency headed at that time by "Director", Rear Admiral Roscoe Hillenkoeter. It provided a comprehensive program for future Security of the United States, and the ACT created the NSC to advise the President with respect to the integration of domestic, foreign, and military policies relating to the National Security, with the special duty to "Access and Appraise the objectives, commitments, and Risks.... The funds for the CIA were hidden in the annual appropriations for other agencies. Today, collectively, U.S. Intelligence Operations (almost totally clothed in secrecy) cost more than \$1 Billion Dollars annually.

The researchers Moore, Shandera, and Friedman have referred to briefing document:

Operation Majestic 12
NSC, MJ-12
Special Studies Project

MJ-12 is said to be a TOP SECRET Research and Development, Intelligence Operation established by President Truman on September 24, 1947. MJ-12 was a "Committee" set up inside the NSC. In 1954, President Eisenhower signed the Secret Executive Order, "Order Number 54-12".

Newsweek of June 22, 1964, carried a review of "The Invisible Government"....."One of their major revelations is the existence of the Special Group "54-12", a hitherto classified adjunct of the National Security Council, specially changed by the President with ruling on special operations."

The NSC called this group the "54-12" committee "which gave the President responsibility of approving all "Black" covert projects. This committee has undergone several changes over the years, and since then, has been called the "SPECIAL COMMITTEE", the "303 COMMITTEE" and currently the "40 COMMITTEE" and is represented as XXXX = the double - double cross. It is described as the "Directorate" of the NSC. The "40 COMMITTEE" has access to advanced technology and teams to cover-up, "the cover-ups"! In the past, this committee was headed by Dr. Henry Kissinger (code name: "The Overseer") when he gave William Colby permission to commission Howard Hughes, Summa Corporation to build a submarine, and a special craft or salvage vessel. The salvage vessel called "Giomar Explorer", was equipped with refrigeration capacity for up to a hundred bodies. (Why???)

In early May 1968, the former President Ronald Reagan said he often wonders what would happen if the Earth was invaded by a 'Power from Outer Space'. It has also been reported that the President is briefed on UFO developments and 'Alien Visitors, by Planetary Intelligence group #40 (PI-40).

OPERATION MAJORITY - CR-20M7/6.2 - FILE: MTR/K-25 MWC/JL - AFMWC/1972 USN
Operation Majority is the name of the operation responsible for every aspect, project and all consequence of Alien presence on Earth.

Majesty was listed as the code word for the President of the United States for communications concerning this information.

Grudge contains 16 volumes of documented information collected from the beginning of the United States investigation of the Unidentified Flying Objects (UFOs) and Identified Alien Crafts (IACs). The project was funded by the CIA, (confidential funds, non-appropriated) and money from the illicit drug trade. Participation in the illegal drug trade was justified in that it would identify and eliminate the weak elements of our society.

The purpose of project Grudge was to collect all scientific, technological, medical and intelligence information from UFO & IAC sightings as well as contacts with Alien Life Forms. This orderly file of collected information has been used to advance the United States Air Force Space Program, (TOP SECRET).

Jason Society (Jason Scholars) President Eisenhower (former) commissioned a secret society known as the Jason Society (or Jason Scholars) under the leadership of the following: Director of Central Intelligence, Allen Welsh Dulles, Dr. Zbigniew Brzezinski, President of the Trilateral Commission from 1973 until 1976, and Dr. Henry Kissinger, leader of the scientific effort, to sift through all the facts, evidence, technology, lies and deceptions and find the truth of the Alien question. The society was made up of thirty two (32) of the most prominent men in the U.S.A.

MJ-12 is the name of the secret control group inside the Jason Society. The top twelve (12) members of the thirty two (32) members of the Jason Society were designated the MJ-12. MJ-12 has total control of everything. They are designated by the code J-1, J-2, J-3, etc. all the way through the members of the Jason Society. The director of Central Intelligence was appointed J-1 and is the Director of the MJ-12 group. MJ-12 is responsible only to the President of the United States. Believe it or not, MJ-12 runs most of the worlds illegal drug trade. This was done to hide funding and thus keep the secret from the Congress and the people of the United States. It was justified in that it would identify and eliminate the weak and undesired elements of our society.

* The actual cost of funding the Alien connected projects is higher than anything you can imagine !

It was the MJ-12 group who ordered the assassination of President Kennedy when he informed MJ-12 that he was going to tell the public all the facts of the Alien presence. He was killed (coup de grace) by the Secret Service Agent driving his car, (who fired the final and most critical shot) and it is plainly visible in the film, which has been held from public view, and the twenty two (22) material witnesses to the Kennedy's murder died within two (2) years thereafter.

MJ-12 has a special program for elimination of the considered weak members from U.S.A's society.

ON A BIG SCALE....Creation of an artificial disease known as "AID's".

ACCIDENTS....of people who we know to have been secretly eliminated.

DISAPPEARANCES/MURDER....of some people who we know to have been secret eliminations also.

The above, are just a few of the tactics which MJ-12 uses when they consider people Dangerous by knowing too much !

A secret meeting place was constructed for the MJ-12 group in Maryland and was described as only accessible by air. It contains full living, recreational, and other facilities for the MJ-12 group and the Jason Society. It is code named "The Country Club". The land for The Country Club was donated by the Rockefeller Family. Only those with TOP SECRET - MAJIC clearances are allowed to go there.

MAJI = Majority Agency for Joint Intelligence. All information, disinformation, and intelligence is gathered and evaluated by this Agency. This agency is responsible for all disinformation and operates in conjunction with the CIA, NSA, DIA, and The Office of Naval Intelligence. This is a very powerful organization and all Alien projects are under its control. MAJI is responsible only to MJ-12. MAJIC is the security classification and clearance of all Alien connected material, projects, and information.

MAJIC = means MAJI controlled, (MAJI plus Controlled = MAJIC).

NOTES: MJ-1 is the classification for the director of MAJI, who is the Director of the CIA and reports only to the President. Other members of MAJI are designated MJ-2, MJ-3, MJ-4, etc. This is why there is some confusion about references of MJ-12, the group or MJ-12 the person.

- Designation for MJ-12, the group are MAJI or MAJIC.
- Designation in official documents about MJ-12 means the person only.

THE U.S.'s ALIEN COVER-UP - It seemingly all began thousands of years ago, but for the purpose of this discussion, let's start with some events that we all are familiar with. In 1947, two years after we set off the first nuclear explosion that our current civilization detonated, came the Cap-Mantell episode, where we had the first incident of a military confrontation with extra-terrestrial that resulted in the death of the military pilot. It is quite evident now that our Government did not know quite how to handle the

situation. In 1952, the nation's capital was overflowed by a series of disks. It was this event which led to the involvement of the United States Security Forces (CIA, DIA, NSA, & FBI) to try to keep the situation under control until they could understand what was happening. During this period, the original members of the group were:

*Secretary James Forrestal
Admiral Roscoe H. Hillenkoetter
General Nathan P. Twining
General Hoyt S. Vandenburg
General Robert M. Montague
Dr. Vannevar Bush
Dr. Cletel Bronk
Dr. Jerome Hunsaker
Dr. Donald Menzel
Dr. Lloyd V. Berkner
Mr. Sidney W. Souers
Mr. Gordon Gray*

This group was a working group, established by the Government, known as MJ-12.

The MJ-12 group has been an existing group since it was created with new members replacing others that died. For example, when Secretary Forrestal was upset at seeing the United States sold out in World War II, he wound up being sent to a Naval hospital for emotional strain. Before relatives could get to him, he 'Jumped Out a 16th Story Window'. People close to him consider his suicide contrived. When Forrestal died, he was replaced by General Walter B. Smith.

In December of 1947, PROJECT SIGN was created to acquire as much information as possible about UFOs, their performance characteristics and their purposes. In order to preserve security, liaison between Project Sign and MJ-12 was limited to two (2) individuals within the intelligence division of the Air Material Command whose role was to pass along certain types of information through channels. Project Sign evolved PROJECT GRUDGE in December 1948. Project Grudge had an overt civilian counterpart named PROJECT BLUE BOOK, with which we are all familiar. Only 'Safe' reports were passed to Blue Book.

MJ-12 was originally organized by General George C. Marshall in July 1947 to study the Roswell-Magdalena UFO crash recovery and debris. Admiral Hillenkoetter, director of the CIA from May 1, 1947 until September 1950, decided to activate the 'ROBERTSON PANEL', which was designed to monitor civilian UFO study groups that were appearing all over the country. He also joined NICAP in 1956 and was chosen as a member of its board of directors. It was from this position that he was able to act as the MJ-12 'Mole', along with his team of other covert experts. They were able to steer NICAP in any direction they wanted to go. With the 'Flying Saucer Program' under complete control

of MJ-12 and with the physical evidence hidden away, General Marshall felt more at ease with this very bizarre situation. These men and their successors have most successfully kept most of the public fooled for at least 39 years or more, including much of the western world, by setting up false experts as real experts and throwing their influence behind them to make their plan work, with considerable success, until now.

Within six (6) months of the Roswell crash on July 2, 1947 and the finding of another crashed UFO at San Augustine Flats near Magdalena, New Mexico on July 3, 1947, a great deal of reorganization of agencies and shuffling of people took place. The main thrust behind the original 'Security Lid', and the very reason for its construction, was the analysis and attempted duplication of the technologies of the discs. The activity is headed up by the following groups:

The Research and Development Board (R&DB)
Air Force Research and Development (AFRD)
The Office of Naval Research (ONR)
CIA Office of Scientific Intelligence (CIA-OSI)
NSA Office of Scientific Intelligence (NSA-OSI)

No single one of these groups were supposed to know the whole story. Each group was to know only the parts that MJ-12 allowed them to know. MJ-12 also operates through the various civilian intelligence and investigative groups. The CIA and the FBI are manipulated by MJ-12 to carry out their purposes. The NSA was created in the first place to protect the secret of the recovered flying discs, and eventually got complete control over all communication intelligence. This control allows the NSA to monitor any individual through mail, telephone, telexes, telegrams, and now through on-line computers, monitoring private and personal communications as they may desire.

TOP SECRET - MAJIC

SUBJECT: MAJIC

PROJECT: GRUDGE/AQUARIUS : (TS/MAJIC)

Document Control: ECN

Classified By : MJ1/MAJIC

Declassified on : Exempt

PROJECT AQUARIUS

(TS/ORCON), (Proword): Grudge contains sixteen (16) volumes of documented information collected from the beginning of the United States investigation on Unidentified Flying Objects, (UFOs) and Identified Alien Crafts, (IACs). The project was originally established in 1953, by order of President Eisenhower, under control of the CIA and MAJIC. In 1960 the project's name was changed from project SIGN to project AQUARIUS. The project was funded by CIA confidential funds (non-appropriated). The project assumed full responsibility for investigation and intelligence of UFOs and/or IACs, after December 1969 when Project Grudge and Blue Book were closed. The purpose of project Aquarius was to collect all scientific, technological, medical and intelligence information from UFO and IAC sightings and contacts with Alien Life Forms. These orderly files of collected information have been used to advance the United States Air Force Space Program (not NASA).

Aquarius is a project which compiled the history of Alien presence and their interaction with HOMO SAPIENS upon this planet for the last 25,000 years and culminating with the BASQUE PEOPLE (PAIS BASCO) who live in the mountainous country on the border of France and Spain and the Assyrians (or Syrians, originally from the Syrius Star).

(TS/ORCOM) The preceding briefing is a historical account of the United States Government's Investigation of Aerial Phenomena, Recovered Alien Aircraft, and contacts with Extra-Terrestrial Life Forms.

THE PROJECTS UNDER "PROJECT AQUARIUS"

1. (TS/ORCOM) PROJECT PLATO: (Proword: Aquarius) Originally established as part of Project SIGN in 1954, its mission was to establish Diplomatic Relations with Aliens. This project was successful when mutually acceptable terms were agreed upon. These terms involved the exchange of technology for secrecy of Alien presence and non interference in Alien affairs. Aliens agreed to provide MAJIC with a list of Human contacts on periodic basis. This project is continuing at a site in New Mexico.
2. (TS/ORCOM) PROJECT SIGMA: (Proword: Aquarius) Originally established as part of Project SIGN in 1954. Became a separate project in 1976. Its mission was to establish communication with the Aliens. This project met with positive success (SIG). In 1959, the United States established primitive communications with Aliens. On April 25, 1964 a USAF Intelligence Officer met with Aliens at Mollomar Air Force Base, New Mexico. The contact lasted for approximately

three hours, after several attempted methods of communications the Intelligence Officer managed to exchange basic information with the Aliens. This project is continuing at a site in New Mexico.

3. (TS/ORCOM) PROJECT REDLIGHT: (Proword: Grudge) Originally established in 1954. Its mission was to test and fly a recovered Alien Aircraft. First attempts resulted in the destruction of the craft and the death of the pilot. This project was resumed in 1972. This project is continuing in Nevada.
4. (TS/ORCOM) PROJECT SNOWBIRD: (Proword: Redlight) Originally established in 1954. Its mission was to develop, using conventional technology, and fly a "Flying Saucer" type craft for the public. This project was successful when a craft was built and flown in front of the PRESS. This project was used to explain UFO sightings and to divert public's attention from project Redlight.

THE "MAJIC PROJECTS"

1. SIGMA is the project which first established communications with the Aliens and is still responsible for communications.
2. PLATO is the project responsible for Diplomatic Relations with the Aliens. This project secured a formal treaty (illegal under the U.S. Constitution) with the Aliens.

The terms were that the Aliens would give us "our Government" technology and would not interfere in our History. In return we "our Government" agreed to keep their presence on Earth a secret, not to interfere in any way with their actions, and to allow them to abduct humans and animals.

The Aliens agreed to furnish MJ-12 with a list of abductees on a periodic basis for Governmental control of their experiments with the abductees.

3. AQUARIUS is the project which compiled the history of the Alien presence and interaction on Earth and the HOMO SAPIENS.
4. GARNET is the project responsible for control of all information and documents regarding the Alien subjects and accountability of their information and documents.
5. PLUTO is a project responsible for evaluating all UFO and IAC information pertaining to Space technology.
6. POUNCE project was formed to recover all downed and/or crashed craft and Aliens. This project provided cover stories and operations to mask the true endeavor, whenever necessary. Covers which have been used were crashed experimental Aircraft, Construction, Mining, etc. This project has been successful and is ongoing today.

7. **NRO** is the National Recon Organization based at Fort Carson, Colorado. It's responsible for security on all Alien or Alien Spacecraft connected to the projects.
 8. **DELTA** is the designation for the specific arm of NRO which is especially trained and tasked with security of all MAJIC projects. It's a security team and task force from NRO especially trained to provide Alien tasked projects and LUNA security (also has the CODE NAME: 'MEN IN BLACK'). This project is still ongoing.
 9. **BLUE TEAM** is the first project responsible for reaction and/or recovery of downed and/or crashed Alien craft and/or Aliens. This was a U.S. Air Force Material Command project.
 10. **SIGN** is the second project responsible for collection of Intelligence and determining whether Alien presence constituted a threat to the U.S. National Security. SIGN absorbed the BLUE TEAM project. This was a U.S. Air Force and CIA project.
 11. **REDLIGHT** was the project to test fly recovered Alien craft. This project was postponed after every attempt resulted in the destruction of the craft and death of the pilots. This project was carried out at AREA 51, Groom Lake, (Dreamland) in Nevada.

Project Redlight was resumed in 1972. This project has ben partially successful. UFO sightings of craft accompanied by Black Helicopters are project Redlight assets. This project is now ongoing at Area 51 in Nevada.
 12. **SNOWBIRD** was established as a cover for project Redlight. A "Flying Saucer" type craft was built using conventional technology. It was unveiled to the PRESS and flown in public on several occasions. The purpose was to explain accidental sightings or disclosures of Redlight as having been the Snowbird crafts. This was a very successful disinformation operation. This project is only activated when needed. This deception has not been used for many years. This project is currently in mothballs, until it is needed again.
 13. **BLUE BOOK** was a U.S. Air Force, UFO, and Alien Intelligence collection and disinformation project. This project was terminated and its collected information and duties were absorbed by project Aquarius. A classified report named "Grudge/Blue Book, Report Number 13" is the only significant information derived from the project and is unavailable to the public, (from what I read before from other sources, this Report Number 13, talked about everything inside the Grudge history).
- MAJIC's CONTINGENCY PLANS** - In 1949, MJ-12 evolved an initial plan of contingency called MJ-1949-04P/78 that was to make allowance for public disclosure of some data should the necessity present itself.

Continued in **Part 2**
