Your Parallel Double

The “Double” is a western term used to represent your other body that exists in the astral dimension.

The “other body” is a replica of your physical body.

In other words, your physical body is a “physical projection” and a replica of your original body that existed before you were born.

It is not so easy to explain this notion using ordinary words.

The honorable Ulema have their own terminology, but I will try to simplify the matter as much as I can.

If you were born in the West, and you have developed an interest in spiritual subjects, you probably have already read about the astral body.

In the United States of America, there is an immense interest in the occult, metaphysics and Eastern religions.

Consequently, a vast literature on the subject is available to the readers. But for some reason, the nature and attributes of “Astral Double” were described very differently from the way spiritualists and Ulema have described them in their Eastern teachings, readings called Kira’ah, and manuscripts. To add more inaccuracy, the Western writers put on their own spin.

In the Middle and Near East, the “Astral Body” or simply your “Double” and its properties are explained by the Ulema as follows:

Before you were born, and before your body took shape, YOU (as a human being) have existed somewhere as an idea.

What is this idea?

We will give you an example.

Before a product is mass produced, inventors and artists design and create a model or a prototype of each product.

And everything begins on the drawing board.

On this board, shape, form, dimensions, colors and specifications of the product are defined and illustrated; everything started with an idea.

The idea became a project, and possibly will take shape in the form of a product, an object, a tool, or simply an intellectual exercise.

In fact, everything in life started with an idea, continued with sketches and

drawings before it reached its final form, and eventually the market.

Your physical body is a perfect product. And this product came from an idea like everything that has been created. Nothing comes from nothing.

Who came up with this idea?

This depends on your religious beliefs.

If you believe in the Judeo-Christian tradition, then, your God is the originator of this idea. He created the first draft of your physical body on his drawing board.

Most certainly, God had to think about how your body should look like.

On the Judeo-Christian drawing board of the creation of mankind, God decided how the physical body should come to life.

You are much more important than a commercial product or a commodity like a car, or a soda bottle.

The designers, artists and engineers at the automobile factory and plant spent many hours designing the model of the car, and the manufacturers of the soda bottle spent some good time going through various designs of the shapes and looks of bottles before they chose the most suitable design for their product. A perfect example would be the classic Coca Cola bottle.

Now, if you think that you are more important than a car or a bottle, then, it is logical to assume that somebody has spent some time designing you, otherwise, you will surface as a non-studied and not well-researched product.

If you look at your body very carefully, you will find out that your body is an extremely complicated machine and your brain consists of a very intricate wiring system that requires an engineer or at least a first class designer.

*** *** ***

You were conceived in the Astral World.

In summary, you did not come to life, and right away without a plan, without a well-thought design, and without an idea that created the design and execution of your physical body.

At the very beginning and early stage of the creation of your physical body, the “Divine” or “Superior” architect-engineer conceived your physical looks as a picture in the astral world.

For now, call this astral world, the World of Ideas; a non-physical world.

In a non-physical world, everything is non-physical, it is astral, it is ethereal. When the ethereal image or idea becomes reality and adopts physical properties like eyes, legs, feet and bones, this idea or your “prototype” becomes a physical body and enters the physical world via the womb of your mother.

Yet, it remains deeply and directly connected to the draft of the first copy of your physical body.

And since the first draft of your non-physical body and your recently acquired physical body (or about to be developed in the womb of your mother) are still connected to each other, both bodies (The Idea or Draft and your physical body) co-exist.

The physical body is inside your mother, and the non-physical body called double or first body exists outside the physical world.

So, the other copy, or more precisely the first copy OF YOU is called your “Double”.

And where is this non-physical world?

It is in the mind of your creator and on his/her drawing board.

Then what’s next?

What is happening now to the two bodies; the physical and non-physical at the time we are conceived?

As soon as you begin to develop as a small physical body (a small fetus) inside the womb of your mother, the idea or draft that created you before you entered the womb of your mother begins to feed your brain’s cells and program your intellect.

In other words, your brain begins to receive all the information and characteristics that create and define your personality, temper, character, persona and nature.

During the very first 40 days, everything your “Creator” wanted you to be or to become start to “go inside your brain” and in the physiology of your body. And during this very critical intellectual and physical formation, the other aspect of you, your Double, enters a dimension very close to your mother.

Once your mother delivers you, your double, the non-physical body will leave the “surroundings” of your mother and follow you.

From this moment, your Double will stay with you until you die.

Is there a difference between the Double and the Parallel Double?

Yes.

The Double is a duplicate of your physical body, without physical properties. In other words, it is a holographic projection of your body's organism. Only in this context, it is similar to your parallel body. Your Double is an etheric depot of what constitutes your physical body.

Your parallel body is a blend of your Double and super-natural faculties which reside outside your normal mind and physical existence.

It is one of the manifestations of your "Supersymetric Mind" which englobes everything that created you and all the elements/factors that will shape your present and future.

The Double retains your mind (Your normal mind), while the Parallel Body retains a higher mind you possess, and which you are not aware of its existence.

This higher mind is called Supersymetric Mind (SM).

SM is the place, source and origin of our creativity, intelligence, unique ideas, inventions, unusual visions, and extra-ordinary accomplishments.

Intelligent people use their mind (Normal mind).

Super intelligent people (Geniuses) use their Supersymetric mind.

Publishers' note: Read about the Supersymetric Mind in de Lafayette's book "THE SUPERSYMETRIC MIND: Activation of the Conduit and the Supersymetric Mind: Beyond the Third Eye and Toward the Oneness."

http://www.amazon.com/SUPERSYMETRIC-MIND-Activation-Conduit-Supersymetric-ebook/dp/B00KLSYPIO/ref=sr_1_5?ie=UTF8&qid=1425492180&sr=8-5&keywords=maximilien+de+lafayette

Major difference between your AB/Double (Astral Body) and the Parallel

Double.

The astral body and/or the double of the patient who saw himself/herself floating over his/her body in the hospital's room is a holographic projection of his/her physical body exclusively limited to and solely pertaining to the OBE.

During that period, the astral body managed to liberate itself and free itself from the physical body. It belongs to that moment.

And usually it emerged from the physical body during that particular situation; it is a temporary phenomenon, and does not continue to manifest itself ad infinitum.

It was produced by some elements, factors and reasons closely related to the so-called "Clinical Death".

The patient may never see again his/her floating body, the way he/she experienced in the hospital's room. It is a one time occurrence.

The parallel body never leaves us.

He is with us wherever we go.

Day and night, around the clock.

When we die, and after we die, he transports us to another dimension. He becomes our guide, because he is our Real and True Mind. And the mind never dies, it transmutes itself into another substance.

The Double as Information Tool.

Difference between a floating astral body and a parallel body.

Can we use our Double to acquire or retrieve information?

No. If it is produced by OBE.

The information given to us during that experience is exclusively limited to that situation.

The astral body (Double) would be able to inform us on what is going on inside the hospital's room, adjacent rooms, and so on, but the entirety of information received is strictly limited to that moment and to that experience.

Is it similar to the floating body of an OBE (Out of Body Experience)?

Yes.

Some patients after being pronounced dead by physicians, came back to life and reported that during that particular period when they were declared clinically dead, were NOT dead at all.

In fact, they were still alive and could see and hear what physicians and nurses were doing and saying about them, about the failed medical operation and other things.

Some even claimed that neither their mind nor their body was dead; on the contrary, they were quite alive, and were able to hover over their body, and see the whole room.

In some instances, they were able to visit other rooms and corridors in the hospital, and describe exactly what was happening in these rooms and corridors. They even gave the names of nurses who were stationed at other rooms. Nurses they never met before.

So is that “floating non-physical body” (FNPB) of patients during this phenomenon (OBE) similar to the Parallel Double (PB)?

No it is not.

The floating body was an Astral Body (AB), and not a parallel body. The parallel body is our constant companion, because he resides inside our “Katheyn Tarika”, the two invisible lines that protect, define, and host our essence (Physical and Mental Bodies.)

Can we use our parallel double to acquire or retrieve information on various subjects, people, and places, so on?

Yes we can.

Publishers’ note: Read about Katheyn Tarika in de Lafayette’s book

“Anunnaki Ulema Sahiriin Khateyn Tarika: The Two Invisible Lines Surrounding Your Body That Shape Your Future.”

So, I can use my parallel double to spy on people!
Difference between remote viewing and parallel body's information gathering.

Yes, unfortunately.

Deviated adepts can use the parallel body to spy on people, and gather information on any subject, places, locations, so on. At one time, the former Soviet Union attempted to use the parallel body to accomplish that task.

The United States countered the Russians' attempt with remote viewing with limited success.

There is a big difference between the two.

Remote viewing (If successful) is done at distance, while retrieving information via the parallel double occurs on location, meaning the parallel double has reached locations, places and the "Personal Zone" of people, and mentally captured (Mental Photos) information and data by "being there."

If this is the case, then the Ulema are not spiritual and honorable at all!

The Enlightened Masters do not use their parallel double to spy on people. They make use of this faculty to accomplish higher purposes, such as:

- 1-To heal at distance.
- 2-To diagnose the spiritual, mental, esoteric, physical, and health conditions of people.

- 3-To prevent negative and destructive events from happening, and which are closely related to individuals who are within the perimeter of their interest.
- 4-To remove knots and barriers which block our spiritual and mental development, and halt our progress and success.
- 5-To enrich and strengthen our “Zone”; Khateyn Tarika. Soon.

Is it possible to learn this technique?

Of course.

Once you have been accepted by an Ulema, the possibilities are endless. You will be admitted to the Maa’had, where you will be initiated, and after a purification’s ceremony you commence your training.

But keep in mind, only those who are pure in heart, intentions and aspirations will succeed.

In some instances, joining the Maa’had is not necessary, if you live in an area where you can’t find one. An Ulema will develop your training program via alternative means.

*** *** ***

Does our double interact with us while we are small babies?

Yes.

It interacts with us in a most fascinating way, noticeable only to the “small child we are”, and not to the others.

Many children have seen their double.

And many of them spoke to their double, and played with their double. In many instances, children called their double “my friend”, or “a friend who came to visit me.”

Unfortunately, many parents and relatives discouraged their small children from talking about their “imaginary friends”, or fantasizing about the visits of their unseen friends.”

This is very common.

Ulema children are encouraged to talk about their “imaginary friends”.
These are very precious moments in our lives.

Why these moments are precious in our lives?

Because during this stage, the infant and later on, the small child, has a direct access to his/her double.

If the child is deprived from this contact, the Double could dissipate for ever.

Of course, in the future, the Double might appear again on certain occasions.

But, because we have lost touch with our Double, and we no longer remember the beautiful visits of our forgotten imaginary friends, our mind and common sense will dismiss the sudden apparition of our Double as a reality.

In these instances, people quite often say: “I am seeing things”, or “Am I hallucinating?”

Therapists will rush so quickly to explain the phenomenon as a trick by the mind. It is not a trick at all.

It just happened that your Double is paying you a visit.

Instead of questioning your sanity, you must rejoice and welcome your “friend”.

In fact, your Double is the most truthful, caring and best friend you ever had, simply because it is YOU!

Your Double appeared to you for many reasons.

Your “double” always watches over you.

It cares about you.

Its presence is a sign of friendship, sometimes necessary and indispensable for solving your problems and finding a way to get out of trouble.

You should welcome your Double and listen to.

*** *** ***

Communication with our Double.
Can we communicate with our “Astral Body”?

The initiated ones can; it is a matter of learning, practice and patience.

However, you have to remember, that the living cannot contact the dead.

By reaching the sphere of your Double or Astral Body, you are reaching yourself, not a dead substance, a departed entity or a spirit.

Untrained persons cannot contact their Double, but can be trained and taught by the Ulema.

And the training has nothing to do with magic, spiritism or religious trances and state of ecstasy.

It is purely mental, intellectual, and scientific.

*** *** ***

Materialization of your Double.

Here, we will be talking about two situations:

First situation: Your Double materializes before you on its own.

Second situation: You initiate the contact (Original contact, your first personal contact)) with your Double. Sometimes, the Astral Body materializes before you eyes, even though you did not try to contact it.

This apparition has numerous meanings, and could be interpreted differently according to the circumstances.

Sometimes, your Double appears to you to warn you about an imminent danger.

Sometimes, to guide you in a moment of despair and difficulties.

Some other times, when you “see yourself” as a fragile ectoplasmic thin substance like a fog for instance, your Double apparition is telling you, that a very important event is going to happen and it could change the course of your life.

In rare instances, this apparition could mean that your days are numbered. Short after Lord Byron saw his Double he passed way.

*** *** ***

Upon initiating the contact with your Double.

Now, you are trying to contact your Double.

You initiate the contact.

If you are not one of the enlightened persons, you would not know what to do, and where to start. Like everything in the universe, including speeches and lectures...everything begins with an introduction and ends with an epilogue.

This is the right path.

In contacting your Double, you must have an introduction that comes in the form of an entry or entrance into the “Al-Madkhal”.

In the Ulema vocabulary, Al Madkhal means verbatim: Entrance and/or where you step in. Ba’ab is a spatial place that exists around the physical dimension of our world.

In the Anunnaki-Ulema vocabulary, Ba’ab means verbatim: Door. And from and through this door you enter the other dimension where your Astral Body (Your Double) exists.

In the West, ufologists, and even space scientists nickname “Ba’ab” a stargate. It is not totally correct, because to them, stargate is a gate through which spaceships can travel through the infinity of space and conquer space-time, thus reducing the enormous distances between stars and planets, and reaching destinations in the universe at a speed greater than the speed of sound and light.

For the Ulema, the Ba’ab can be used as a spatial stargate, and a mental means to reach the non-physical world as well; no spaceships are needed to communicate with your Double.

*** *** ***

Zooming into your Double and acquiring Ulema’s supernatural faculties.

The use of violence/cruelty against humans and animals, even aggressive thoughts and harmful intentions annihilate all chances to acquire the Aluma’s extraordinary faculties.

Your Double can easily read your thoughts.

If your thoughts are malicious, your Double will prevent you from zooming yourself into its ethereal molecules.

Therefore, you have to control your temper, remain calm, and show serenity in your thoughts, intentions and actions.

Your Double is very delicate, even though it can accomplish the toughest missions and penetrate the thickest barriers.

Any indication of violence or ill intention triggers a pulse that blocks your passage into the ethereal sphere of your Double.

Once you enter your Double, you will be able to use it in so many beautiful and effective ways as:

- a-A protective shield against danger,

- b-An effective apparatus to protect yourself in hostile and dangerous situations,
- c-A tool to develop your abilities to learn many languages, and enhance your artistic creativity,
- d-A stimulus to increase the capacity of your memory,
- e-An instrument to heal wounds and internal injuries. No, you will not become a surgeon, but you will be able to stop internal bleeding, and eliminate pain,
- f-A vehicle to visit distant places and even enter restricted areas for good causes.
- In brief, the possibilities are endless.

Once you are in a perfect harmony with your Double, and your physical organism is elevated to a HVL (Higher vibrational level) through your union with your Double, you will be able to walk through solid substances such as walls, sheets of glasses and metal.

You become effective in controlling metal and de-fragmenting molecules of any substance.

This will allow you to transmute, change and alter the properties of any object known to mankind.

But if you use these supernatural faculties to hurt others, or for personal and selfish gain, you will lose them for good, and you will be held accountable for such malicious use in the other dimension.

And this could delay your entrance through the Ba'aab.

Ulema Albakri's dematerializing and walking through a wall.

During a reading, I saw with my own eyes, the honorable Ulema Albakri dematerializing and walking through a wall.

Many of the students, including myself thought it was an illusion, a trick performed by the teacher.

We became suspicious.

We were wrong, because when we began to search for him inside the room, and check the thickness of the wall, we heard him calling us from outside the room.

He was standing under a pomegranate tree in the garden.

And in a blink of an eye, he materialized inside the room, as if he has never left

us.

We became speechless.

One student asked him: How long it would take me to do this? Can I do what you did?

And the honorable Ulema replied: “Only if you free your mind, and clean your thoughts. To cross over to the other side, you need to establish a direct rapport with your Double, and invite others to your heart...”

The physical body is built upon the double body, this is how Buddha and Apollonius of Tayana were seen at two places at the same time.

For a trained adept, the astral body is so coherent that he or she can harmoniously and elegantly project the double out of the physical at a distance.

Bear in mind that the real centers for hearing, seeing, smelling are in the astral body.

These are used for astral perceptions.

*** *** ***

Where is located our Parallel Double?

In your “Essence Zone”; the Khateyn Tarika.

Khateyn Tarika is one of the most important, mind-bending and powerful parts of Ilmu (Knowledge and wisdom), and the secret doctrine of the Allamah and Rouhaniyiin. If you unlock its secrets, you will reach your full potential, and accomplish the impossible. Khateyn Tarika will put you on the right track, leading to spectacular success, power, and harmony with your environment, and perfect health.

The Honorable Master Khafaja Sudki Bin Ghayali said verbatim: “If you are “Outside Khateyn Tarika”, you will never reach the top, in anything you do, no matter how happy, intelligent, influential, and rich you are.”

Khateyn Tarika is a very complex and sophisticated concept, difficult to understand or to accept, unless you are one of the “Illuminated Masters”, or the initiated ones (Students and adepts).

So, where is it?

Your body has two spaces. One, is the physical space that it occupies. Usually

defined and limited by your height, size and weight.

The other, is a space you don't see. It is an extension of your physical body. This extension does exist, even though you are not aware of it.

It starts from a quarter of a centimeter from your physical body and extends up to 5 feet, in some cases up to 6 feet, in front of your body, and encompasses a distance of 4 feet on both sides of your body (Left and right), and a distance of 4 feet behind your body.

So we have here, 6 feet in front, 4 feet in the rear, and 4 feet to the left and right. This is your zone. This zone stays with you for the rest of your life. In this zone, you find your "Double", your astral body, your "Space memory", your aura, and your physical-non-physical emotions.

DO NOT MISS THESE ESSENTIAL PUBLICATIONS
BY THE SAME AUTHOR

THE SUPERSYMETRIC MIND: Activation of the Conduit and the Supersymetric Mind.

You need to reach the zone of "Oneness", to activate your "Conduit" and dig deep into your Supersymetric Mind. Many students and friends have asked me if there is an immediate way to solve the harsh financial problems they are facing; some sort of an Anunnaki Ulema relief-

technique to bring them wealth, make them succeed in business, get rid of their troubles, and reach their goals.

The enlightened masters told us that there is only one way, one technique, one method to reach Alsoudk (Truth) and Iftirach (Happiness), which are the most important reasons, cause and effect of our intellectual and spiritual ascension. And through this ascension, our eyes will open up, our mind will develop, our heart will expand, and our being, physically, spiritually and mentally will enter the zone of ultimate knowledge; a knowledge which is an intricate part of the state of “Oneness”, reachable only through our “Conduit” and “Supersymmetric Mind”.

Yes, of course, enlightenment could be achieved differently, using alternative methods and paths, as explained by Brahmans, Lamas, Gurus, Swamis, Senseis, spiritual guides, and others. But no path and no alternative method are as sublime and flawless as the Anunnaki Ulema’s Tarika (Road or Way of Knowledge).

And yes, you can walk on that road, and reach the hill of light, if you get rid of the Tabi’a, the lowest level of your mind, where the human nature is stained by weaknesses, nourished with vanity and greed, and solely breeds on attachment to materialistic values. When you confer with your “Supersymmetric Mind”, and when you activate your “Conduit”, even partially, you will be able to accomplish the quasi-impossible.

This book is not the ultimate and entire mental and esoteric arsenal you need in your fight against ignorance, nor the Alpha and Omega of the enlightenment Tarika, but it could help you a lot in finding and developing extraordinary mental and supernatural powers you had within you since you were born, but you never knew that you had them, or you could have used them when you needed an immediate relief, a helping hand, and a strong shoulder to lean on.

This book will show you a few techniques that could activate part of your “Conduit”, and teach you how to converse with your “Supersymmetric Mind”, which is the original blueprints of your intelligence (Hidden and known), and the amazingly vast depot of knowledge and know-how, which were given to you, but you have never used, simply because you didn’t know that such depot did exist, and you were rightfully entitled to have access to.

Your mind is a magnificent tool, a superb machine, an unimaginable instrument you can use to solve lots of problems on so many levels, to strengthen your faith in yourself, and to reach for the stars.

Those stars are not very far away from you, for you can reach them, for you can touch them, if you use your Conduit and “Supersymmetric Mind”.
