GEMNIMB	He who is only for a season	2	TEX	WATER
ADVORPT	She who silently watches	3	TEX	WATER
DOXMAEL	He who establishes the night	4	TEX	WATER

NOTE: All the names are taken from Tabula Recensa (the tablets that were reformed by Raphael on April 20th, 1587). The ONLY changes that were made were the natures of the Kerubic and Servient Angels. The natures were originally attributed to the old tablets. I have taken the liberty to arrange them to the tabula recensa, and also that they are more in accord with the ideas of modern occultism.
