

THE SECRET GRIMOIRE OF TURIEL

A SYSTEM OF CEREMONIAL MAGIC

THE GREAT ARCANUM
(The Rites of Ceremonial Magick).

PART I. THE SECRET GRIMOIRE OF TURIEL.

INTRODUCTION.

THE S.S. Umvoti, on which I was travelling from Beira, Portugese East Africa, to London, reached Las Palmas in November, 1927, after a very stormy passage. Like the rest of the passengers, I was thankful to get ashore.

The usual vendors, beggars, and guides were soon in evidence. One old man in the garb of a peasant offered me his services as a guide, which I gladly accepted. The man was bearded, swarthy of complexion, and very thin. He spoke in broken English and suggested that we visit the Cathedral. This we did, and as we walked the stranger informed me that the Cathedral was founded in the 16th century but only completed in the 19th. He conducted me to a lift inside the Cathedral, and smiled at two most corpulent priests who were seated at confessional boxes. The priests turned their heads away from the guide, who entered the lift with me. Soon we were speeding upward to enjoy the most enchanting scene imaginable. In the sunlight, on each bank of the river, lay the houses of the capital. Down below the people walked, Lilliputians in size.

We stood for a considerable time, and indeed I could have remained much longer drinking in the view, but the guide suggested that we leave. We did so and visited the bazaars and other places of interest including taverns where we enjoyed native cigars and wine.

As we made our way back to the ship my guide produced a little metal crucifix and some papers which he begged me to buy. He informed me that the papers were the manuscripts of a system of ceremonial magic, "The Secret Grimoire of Turiel". These were the original dated 1518. written in Latin, and a copy written in English, a translation from the original. The original copy was in fragments, almost worn away, but the copy was intact. I told the guide the original was not worth taking, but I would buy the cross and the copy. He agreed to this, and thus I became the possessor of the Grimoire. Since 1927 I have rewritten the manuscript owing to the fact that I was on the move so often, and for the sake of convenience the new *writing* was entered into a note book of convenient size, and the copy purchased in Las Palmas I destroyed. I have reason to believe that the present manuscript is the only one in existence. In publishing same I feel sure that it will appeal to all students of occultism as an additional item of interest. It has much to commend it. Though small in volume it is a complete system of Ceremonial

Magic. The former owner admitted that he had made use of the formula contained therein. For his experiments in the Art he, a former priest, had been defrocked. This he said was the reason why the two priests *in* the Cathedral had not acknowledged his smile.

THE SECRET GRIMOIRE OF TURIEL

OBSERVATIONS and method of Invoking related with great pains and diligent research.

Retire thyself Seven Days free from all company and fast and pray from sunset to sunrise. Rise every morning at Seven of the clock, and the three days previous to the Work fast upon bread and water and humble thyself before Almighty God. Watch and pray all night before the Work.

And on the day before draw the lines of the Circle in a fair place. and let the diameter of the Circle be 9 feet. Wash thyself the same day quite clean.

Make the pentacles forthwith and provide the other things necessary, with Incensing. Then being clothed in pure Vestments and having covered the Altar and lighted the candles begin about half an hour before sunrise on the Day assigned for the Work and say with great Devotion as follows:—

First Morning Prayer :— Almighty and Most Merciful Father I beseech Thee that Thou

wilt vouchsafe favourably to hear me at this time whilst I make my humble prayer and Supplication unto Thee. I confess unto Thee O Lord Thou hast justly punished me for my manifold sins and offences but Thou hast promised at what time soever a sinner doth repent of his sins and wickedness Thou wilt pardon and forgive him and turn away the remembrance of them from before Thy face.

Purge me therefore O Lord and wash me from all my offences in the Blood of Jesus Christ that, being pure and clothed in the Vestments of Sanctity, I may

bring this Work to perfection, through Jesus our Lord who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Sprinkle thyself with Holy Water and say —Asperges me Domine hysope, et mundabor. Lavabis me et super nivem dealbabor.

Hail O Mighty God, for in Thy power alone abideth the Key to all exorcising of Principalities, Powers, Thrones, Angels and Spirits. Amen.

Then bless your Girdle, saying : —

O God Who by the breath of Thy nostrils framed Heaven and Earth and wonderfully disposed all things therein in six days, grant that this now brought to perfection by Thine unworthy servant may be by Thee blessed and receive Divine virtue, power and Influence from Thee that every thing therein contained may fully operate according to the hope and confidence of me Thine unworthy servant through Jesus Christ our Lord and Saviour. Amen.

The Blessing of the Light

I bless thee in the Name of the Father. O Holy, Holy Lord, God, Heaven and Earth are full of Thy Glory before Whose face there is a bright shining light forever; bless now, O Lord, I beseech Thee, these creatures of light which Thou hast given for the kindly use of man that they, by Thee being sanctified, may not be put out or extinguished by the power, malice, or filthy darkness of the devil, but may shine forth brightly and lend their assistance to this my Work, through Jesus Christ our Lord. Amen.

Then say, ‘Asperges me, etc.’”

Consecration of the Sword :—

O Great God Who art the God of strength and fortitude and greatly to be feared, bless O Lord, this Instrument that it may be a terror unto the Enemy, and therewith I may fight with and over-come all phantasms and oppositions of the Enemy, through the influence and help of Thy most Holy Mighty Name, On, St.

Agla, and in the Cross of Jesus Christ our only Lord. Amen.

Be thou blessed and consecrated in the Name of the Father, Son, and Holy Ghost.

Asperges me, etc.

Benediction of the Lamens (Symbois. Circles) :—

O God Thou God of my Salvation I call upon Thee by the mysteries of Thy most holy Name, On, St. Agla, I worship and beseech Thee by Thy Names El, Elohim, Elohe, Zebaoth, and by Thy Mighty Name Tetragrammaton, Saday, that Thou wilt be seen in the power and force of these Thy most holy names so written filling them with divine virtue and Influence through Jesus Christ our Lord.

Benediction of the Pentacles:— Eternal God which, by Thy Holy Wisdom, hast caused great power and virtue to lie hidden in the characters and Holy Writings of Thy Spirits and Angels, and hast given unto man that with them, faithfully used, power thereby to work many things; bless these, O Lord, framed and written by the hand of me Thine unworthy servant that being filled with divine virtue and Influence by Thy Commands, O Most Holy God, they may shew forth their virtue and power to Thy praise and Glory through Jesus Christ our Lord. Amen.

I bless and consecrate you in the Name of the Father, the Son, and the Holy Ghost, the God of Abraham, Isaac, and Jacob.

Asperges me, etc. Amen.

Benediction of the Garment

O Holy, blessed and Eternal Lord God Who art the God of purity and delightest that our souls should appear before Thee in clean and pure and undefiled Vestments being cleansed, blessed, and consecrated by Thee, I may put them on, being therewith clothed I may be whiter than snow both in soul and body in Thy presence this day, *in* and through the ment, death, and passion of our onty Lord and Saviour Jesus Christ, Who liveth and reigneth with Thee in the Unity of the Holy Spirit, ever one God, world without end. The God of Abraham, Isaac and Jacob bless thee, purge thee, and make thee pure, and be thou clean in the Name of the Father, Son and Holy Ghost. Amen.

In this Thy Holy Sign O God, ; fear no evil. By Thy Holy Power, and by this Thy Holy Sign all evil doth flee.

By Thy Holy Name and Thy Power which Secret was revealed to Moses, through the Holy Names written in this Book, depart far from me all ye workers of iniquity.

Bless, O Lord, I beseech Thee, this place and drive away all evil and wickedness far from it. Sanctify and make it become meet and convenient for Thy Servant to finish and bring to pass therein his desires, through Jesus Christ our Lord, Amen.

Sprinkle them with Holy Water, saying, “Asperges me, Domine, etc.”

Exorcism of Fire

I exorcise thee, O thou creature of Fire, by Him by Whom all things are made, that forthwith thou wilt cast away every phantasm from thee that it shall not be able to do any hurt in any thing. Bless, O Lord, this creature of Fire and sanctify it, that it may be biessed to set forth the praise of Thy Holy Name that no hurt

may be able to come unto me, through the virtue and defence *of* our Lord Jesus Christ. Amen.
