## The Masonic Square & Compass/Hexagram

### The Mark of the Beast

666

A.  
A.O.N.M.S.  
'A MASON'

**Madame Blavatsky's Mystic Brooch**

**The 6-pointed star or Hexagram is not a Jewish symbol, but a Masonic Symbol. It supplanted the Menorah as the most wide-spread symbol of Judaism during the 19th century after it's incorporation by Freemasons into new synagogue construction in Industrial Britain and then it's farflung empire, following large**

**scale migration from Russia. [Baigent & Leigh]**

**The Square and Compass is a 'HOODWINKED' Hexagram  
Simply connect the arms of the MASONIC COMPASS and SQUARE to form the SIX  
POINTED STAR**

**The Six Pointed Star  
By, Dr. O.J. Graham**

The Six-Pointed Star is going into its fourth edition. There have been thousands of letters over the years and comments are available upon request. The questions which are asked of this author are:

What made you even remotely curious that the six-pointed star might not be "Jewish"? After all, it is called the "Star of David"

and has it not become the international insignia of Jewishness and the State of Israel?

The controversy and the challenge are answered in the book. The quest began at York University, Ontario, Canada, when an Orthodox Jewish friend of mine was investigating Messianic Judaism. Our intellectual conversation covered many topics which included the so-called Star of David, which he said he did not use as the symbol G-d really gave the children of Israel was the seven-branched Menorah. Being a journalist, he challenged me to explore the six-pointed star. And I accepted the challenge, with the plan that I would prove its Jewishness. After all, I wore one and felt I had to defend it, even to him.

That was the summer of 1979 and the research took me four years to complete. I found a few Jews who knew it was not Jewish, and these are mentioned in the book. Others did not think about it, and most did not care whether it was originally occult or not - they did not think it mattered. I checked Jewish sources and all their encyclopaedias attested that it was not originally Jewish and was not used as the symbol for any of the twelve tribes of Israel. Jewish sources said it wasn't originally Jewish. So, what was it? That took four years of research. From archive to archive, library to library...history book to history book.

The first mention of the star was in Amos 5:26 regarding the trek from Egypt to Canaan. Then in 922 B.C., when Solomon married the daughter of Pharaoh and went into magic and witchcraft and built an altar to **Ashtoroth** and **Moloch**. The book traces the six pointed star from Egypt to Solomon, to **Arab Magic** and **Witchcraft**, to **Druid** use (references are documented). The book traces the star through **Freemasonry** usage to Mayer Amschel

Bauer, who, in the 17th century, changed his name to depict the red six-pointed star (or shield) which he had hung on his door in Germany, and thus began the family of "Red Shield" or Rothschild. The research carried on through this family, to their court of arms, to **Cabala**, to **Astrology**, to Hitler and his putting a yellow six-pointed star on all Jews during the holocaust, to the Zionist symbol, and finally to the flag of the State of Israel and beyond.

Because this symbol is comprised of a six within a six within a six (6 points, 6 triangles, 6 sides of the hexagon in the middle) the research also included a look at the 666 prophecies in the Book of Daniel etc., regarding the "wilful King" (anti-Christ) and the "mark of the beast". The Scriptural significance of the number seven and a Biblical description of the real Messiah and the seven-branched Candlestick (Menorah) which God gave to the children of Israel as an everlasting covenant (which is also mentioned in the New Testament) is covered. All the sources are written at the bottom of each page making it easy for readers to see and check for themselves.

I started out to defend this symbol, but ended up shocked and quite devastated with the evidence gleaned from the academic research. It is the

only book on the origin and history of the six-pointed star or hexagram.  
Have a good read, check the references yourself, and I would be happy to  
hear your comments. All the best to you

**August 16, 1999**

**The Twin Messiah's...**

**S.A.M.**  
**Satan, Cain, the Widow**

### **The trepanned skull of Dagobert II**

Pierced with a lance through the eye on December 23, 679 A.D. while on a ritual hunt in the sacred Forest of Woevres at Satanicum - the Merovingian Dynasty's Capitol, deep inside the haunted Ardennes.

Satanicum was so named because of the Temple of Saturn which was located there during Roman times. Satan and Saturn are the same words, one 'Early Latin', and the other 'Late Latin'...

*Here some alternatives drawn from the picture which it draws of 25 listed names of the city, with their time of appearance: SATENAIUM and SATANIACUM (10e S.), SATANACUM (1069), SATINNACUM et SATINIACUM (1086), SETUNIA (11th S.), SEPTINIACUM (1107), SETENAE (1208), SETTENAI (1243). SATANAY (1284), without forgetting the SATHANAI of the seal of Prévôte (1320) and the STENA of the local patois. But 1643 should be waited until to find finally written the name of STENAY.*

**French-English translation from Ville de Stenay website**

## on the origin of their towns name.

### HISTORY OF THE SIX POINTED STAR

Acts 7:37-43 This is that Moses...to whom our fathers wold not obey, but thrust him from them, and IN THEIR HEARTS TURNED BACK AGAIN INTO EGYPT... And they made a calf in those days, and offered sacrifices unto the idol, and rejoiced in the works of their own hands. Then God turned, and gave them up to worship the HOST OF HEAVEN: as it is written in the book of the prophets, O ye house of Israel, have ye offered to Me slain beasts and sacrifices by the space of FORTY YEARS IN THE WILDERNESS? Yea, ye took up the tabernacle of Moloch, and the STAR OF YOUR GOD REMPHAN, figures which ye made to worship them: and I will carry you away beyond Babylon.

Amos 5:26-27 But ye have born the tabernacle of your Moloch, and Chiun (Remphan) your images, the STAR OF YOUR GOD, which ye made to yourselves. Therefore, will I cause you to go into captivity beyond Damascus, saith the Lord...

"The Universal Jewish Encyclopedia declares that the SIX-POINTED STAR...according to the Rosicrucians...was known to the ancient Egyptians." (Graham, p. 13)

"SIX TRIANGLES...is the Egyptian hieroglyphic for the ...Land of the Spirits." (Churchward, p. 177)

"Ancient Egyptian Seal of Solomon" (Churchward, p. 188)

"In the Astro-Mythology of the Egyptians, we find belief in the first man-god (Horus I) ...and his death and resurrection as Amsu"

"This (6-pointed star) was the first sign or hieroglyphic of Amsu"

"Amsu - the risen Horus - was the first man-god risen in spiritual form." (Churchward, p. 3, 65, 38)

The six pointed star is associated with Saturn worship. Therefore, the beast is Saturn, and his mark is the 6-pointed star.

Acts 7:43 Yea, ye took up the tabernacle of Moloch, and the STAR OF

YOUR GOD REMPHAN, figures which ye made to worship them: and I will carry you away beyond Babylon.

Amos 5:26-27 But ye have born the tabernacle of your Moloch, and Chiun (Remphan) your images, the STAR OF YOUR GOD, which ye made to yourselves. Therefore, will I cause you to go into captivity beyond Damascus, saith the Lord...

Ref. Strong's Concordance

4481 Rhemphan {hrem-fan'} by incorrect transliteration for a word of Hebrew origin 3594; n pr m AV - Remphan 1; 1 Remphan = "the shrunken (as lifeless)" 1) the name of an idol worshipped secretly by the Israelites in the wilderness

3594 Kiyuwn {kee-yoon'} from 3559; n pr dei AV - Chiun 1; 1 Chiun = "an image" or "pillar" 1) probably a statue of the Assyrian-Babylonian god of the planet Saturn and used to symbolise Israelite apostasy

## TALISMAN OF SATURN

"On the first face is engraved...a pentagram or a star with five points. On the other side is engraved a bull's head enclosed in a SIX-POINTED STAR, and surrounded by letters composing the name REMPHA, THE PLANETARY GENIUS OF SATURN, according to the alphabet of the Magi." (Christian, p. 304-5)

## Talismans of the Magi

"Theophrastus Paracelsus revived, in the XVIth century, the ancient doctrine of Talismans, which he claimed to be able to use successfully in the treatment of illnesses and accidents. This medical doctrine, derived from the Cabala, or secret tradition of the Jewish rabbis, was said to be borrowed from the ancient occult sciences of Chaldea and Egypt. The talisman (tsilmenaia) signifies an image, a figure, and was engraved in the form of an emblem or symbol on metals consecrated to the genii of the seven planets. This magical task had to be carried out at a fixed time of a certain day, with the firm intention of attracting to the talisman the beneficent influence of the genius which was invoked, whether for health or any other protective measures...

The Talisman of Saturn  
 Talisman of Jupiter  
 The Talisman of Mars  
 Talisman of the Sun  
 Talisman of Venus  
 The Talisman of Mercury  
 The Talisman of the Moon

"These are the principal Talismans whose traditions have been preserved for us by the most ancient monuments of the highest magical art and by the most reliable archaeologists in this type of research. These talismans are recommended under the name of Teraphim by the Hebrew Qabalists of the Middle Ages, who replace the names of the planetary Genii of Egypt by those of: Oriphiel (Rempha), Zachariel (Pi-Zeus), Samael (Ertosill), Michael (Pi-Rh3), Anabel (Suroth), Raphael (Pi-Hermes) and Gabriel (Pi-loh). These Cabalists add another seven talismans to which they attribute the power of conjuring the influence of seven demons who, according to their doctrine, share with the seven planetary angels the government of the divine creation. Against the angel of Saturn they set the demon Nabam; against the angel of Jupiter the demon Acham; against the angel of Mars the demon Nambroth; against the angel of Venus the demon Lilith or Naemah; against the angel of Mercury the demon Astaroth or Tharthac; and against the angel of the Moon the demon Sathan, See Judges xvii and xviii in the Bible. The Teraphim appear to correspond to the serpent images or seraphim. which in turn are said to derive from the Kabeiri Assyrian divinities worshipped at Hebron (Beni Anak). The Daimons or male spirits of the planets are now given by esoteric students of the Qabala as: Adonai=sun, Evoe=Moon. Saba=Mars, Astaphoi=Mercury, Eloï=Jupiter. Ouraioa=Venus and Ildebaoth, or according to the Orphites Jahweh= Saturn."

"Now, the name SATURN in Chaldee is pronounced Satur; but, as every Chaldee scholar knows, consists only of four letters, thus - Stur [ed. Star?]. This name contains exactly the Apocalyptic number." (Hislop, p. 269)

S = 060

T = 400

U = 006

R = 200

---

= 666

"Sri Aurobindo, a Hindu guru well-known in the New Age affirms that SATURN IS REPRESENTED BY THE NUMBER 6... because the planet Saturn is 6th of the nine planets in distance from the sun." (Marrs: Mystery Mark, p. 68)

Dagon, the fish-god, is associated with the forehead and hands, the location of the mark of the beast. (Note: Dagon's crown is the top of a 6-pointed star)

Rev. 13:1 And I saw the BEAST RISE UP OUT OF THE SEA

Rev. 13:16 ...a mark IN THEIR RIGHT HAND, OR IN THEIR FOREHEADS

I Sam. 5:4 And when they arose early on the morrow morning, behold, Dagon was fallen upon his face to the earth before the ark of the Lord; and the HEAD OF DAGON AND BOTH THE PALMS OF HIS HANDS WERE CUT OFF upon the threshold; only did the stump of Dagon was left to him.

If Saturn = Noah, and Dagon = Noah, then Saturn = Dagon

"Noah is celebrated...by the name Saturn, 'the hidden one'" (Hislop, p. 136)

"Out of (the) deluge emerged DAGON, the fish-god, or GOD OF THE SEA... In the secret mysteries... they sought to regain their influence and power by scenic representation... of the flood, in which NOAH was introduced under the name DAGON." (Hislop, p. 243-44)

In the mystery religions, both the forehead and hands were tattooed during the initiation rites. (Reason for Dagon's hands and head cut off)

Concerning Mithraism:

"INITIATION was performed by two dignitaries, who possessed the title of Father and Herald. After the ceremony (the initiate) would be considered the brother...of the other initiates and the son of the Father... In order to be recognized by the Father, he has to be TATOOED, in other words, BRANDED ON BOTH HANDS... On portraits of emperors, these TATOO MARKS are clearly visible, but ON THE FOREHEAD, IN PLACE OF THE HANDS." (Vermaseren, p. 131)

Six-pointed star was used in mystery religion initiation rites

"In an ancient book on numbers the INITIATE is defined as 'the one who has experienced and expressed 666 and found it naught; who has dropped the 6 and become the 66, and thus found himself on the Way; later, again, he drops the 6 and becomes the PERFECTED 6-FORM, the instrument and expression of spirit.'" (Bailey: Rays and Initiations, p. 80)

"This is the sign with which the Magus DECORATED HIMSELF when he has reached the HIGHEST DEGREE OF

INITIATION" (Christian, p. 110-111)

The Crown of the Magi

### The Crown of the Magi

The beast out of the sea with 7 heads (Saturn) is actually the earthly incarnation of Satan, the 7-headed serpent.

Rev. 12:3 And there appeared another wonder in heaven; and behold a GREAT RED DRAGON, HAVING SEVEN HEADS and ten horns...

Rev. 12:9 And the great dragon was cast out, that old serpent, called the Devil, and SATAN...

Rev. 13:1 And I...saw a beast rise up out of the sea, having SEVEN HEADS and ten horns.

"The 7-headed dragon and BEAST OF THE BOOK OF REVELATION... have their origin in the 7-headed serpent which is MENTIONED IN THE PYRAMID TEXT." (Churchward, p. 210)

"It is 'SATAN who is the god of our planet and the only god'... In the order of divine evolution SATURN (SATAN), astronomically, 'is the seventh and last in the order of macrocosmic emanation'" (Blavatsky, p. 234, quoting Dr. A. Kingsford: Perfect Way, Appendix: The Secret of Satan)

"The SATURNIAN SPIRIT, 'SATAN' ...ensouls the Third great major or Primary Ray of Deity." (Marrs: Mystery Mark, p. 69, quoting Vera Stanley Alder)

The 7 heads represent the kings of 7 world kingdoms which have been possessed by Satan

Rev. 17:9-11 And here is the mind which hath wisdom. The seven heads are...SEVEN KINGS: 5 have fallen, and one is, and the other is not yet come: and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the EIGHTH, and is of the seven, and goeth into perdition.

### The Kingdoms

#### 5 have fallen

#### Egypt

"Horus I represents the soul of life, which came by water to a dried up world... Here the FISH...was a sign of his incorporation in matter... Horus came by water as Ichthus the FISH before there was a boat or Ark... The inundation (of the Nile) was the source of the life of Egypt. It was her annual salvation, and Horus...the Fish-man, was her Saviour." (Churchward, p. 420-21)

#### Babylon

"In Babylon, Capricorn symbolized the dual life of Ea, a god often shown walking in a great FISH-SHAPED cloak with the head of a FISH over his own head... It was said to have come from the OCEAN to teach men how to live."

#### Assyria

"In the great Assyrian temple of Assur...stood a large stone ritual basin dedicated to the god OANNES... Flanking him are 4 FISH-CLAD priests." (Johnson, p. 243) In an etching of "Assyria, 7th century BCE: FISH-CLAD priests." (Johnson, p. 245)

### Medo-Persia

"DAGON...under the name 'MITHRA', was worshipped." (Hislop, p. 264)

"In Mythraic mysteries, SATURN was the Sun God." (Springmeier, p. 160, quoting Manly P. Hall)

### Greece

"Jerome calls DAGON...fish of sorrow which goes far to identify that Fish-god with Bacchus." (Hislop, p. 114)

### One is - Imperial Rome

"SATURN wandered to Italy, where he ruled as king in the Golden Age and gave the name SATURNIA to the country." (Encyclopedia Britannica, "Saturn," p. 231)

### One is yet to come - Papal Rome

"About the very time when the Bishop of Rome was invested with the pagan title of Pontifex, the Saviour began to be called ICHTHUS, of 'THE FISH', thereby identifying him with DAGON." (Hislop, p. 215)

"The two-horned mitre, which the Pope wears...is the very mitre worn by DAGON." (Hislop, p. 215)

### Eighth Beast - World Kingdom

"The religion of SATURN...teaches...the RETURN OF THE LOST SON SATURN." (Springmeier, p. 160-61)

"The Merovingian dynasty - male line (are) descendants of the FISHER KINGS." (Gardner, p. 163)

"Between the 5th and 7th centuries the MEROVINGIANS ruled large parts of ... France and Germany... The ruler from whom the Merovingians derived their name is...Merovee...a semi-supernatural figure worthy of classical MYTH... His name... echoes the French word of...SEA...Merovee's mother supposedly went swimming in the OCEAN. In the water she is said to have been seduced and/or raped by... a BEAST OF NEPTUNE." (Baigent, p. 396)

**Coat of Arms of Rennes-le-Chateau (Merovingian castle) (Baigent, p. 396)**

### The Kings

## King of Tyre

Ezek. 28:2 Son of man, say unto the prince of Tyre, Thus saith the Lord God; Because thine heart is lifted up, and thou hast said I am a God, I sit in the seat of God, in the midst of the seas; yet thou are a man...

Ezek. 28:12 Son of man, take up a lamentation upon the king of Tyrus... Thou hast been in Eden the garden of God; ... Thou art the anointed cherub that covereth...

## King of Egypt

Ezek. 29:3 ... Thus saith the Lord God; Behold, I am against thee Pharaoh KING OF EGYPT, THE GREAT DRAGON that lieth in the midst of his rivers.

"In the Pyramid texts the king was regarded as the SON AND EMBODIMENT OF THE SOLAR DEITY. In this capacity he was the EARTHLY REPRESENTATIVE and high priest of his heavenly Father Re - A GOD IN HUMAN FORM." (James, p. 2)

## c. King of Babylon

"In Babylonia the...ruler...was regarded as actually the MANIFESTATION OF THE DEITY." (James, p. 7)

## Present Use of the Six-Pointed Star

### Society

Neither repented they of their...sorceries (Rev. 9:21)

"The HEXAGRAM is used in magic, witchcraft, occultism." (Burns: Hidden Secrets of the Eastern Star, pp. 170-71, quoting Stewart Farrar)

### Halloween

"Halloween...emanates from the 14th century... when the Druids would knock on the doors of the castles demanding the young maiden or princess for their sacrifices. If they were not given the maiden, they would paint a HEXAGRAM on the door to tell...that all should die in that household." (Graham, p. 98)

### Secret Societies

## Freemasonry

"If the two lateral lines of the STAR OF DAVID are removed, leaving the upward and downward pointing arrows...the result is the Freemason's square and compass." (Knight, p. 240)

"The BLAZING STAR IS PROPERLY SIX-POINTED... the sign of the deity, and to make that more evident, in the middle of it is usually inscribed the letter 'G', for God... In Co-Masonic lodges, the usual form... is a serpent curled round with its tail in its mouth... This was the original form, but the head of the serpent was altered so as to form the letter G." (Leadbeater, p. 79)

"I have seen a painting (in which) the BLAZING STAR in the center existed, but it had 8 points instead of 6 or 5. It was called 'the star of the dawn' or 'MORNING STAR'; and represented HORUS of the resurrection, who was pictured as bearing it upon his HEAD and as having given it to his followers." (Leadbeater, p. 7)

## Hermetic Order of the Golden Dawn

The HEXAGRAM is used in occultist Aleister Crowley's "ritual of the BEAST." (Aleister Crowley: Magic Book #4)

Israel Regardie reveals that the "HEXAGRAMS OF SATURN" are used in his magical initiation rites. (Regardie, p. 288)

## Hexagram variations (Regardie, p. 294-95)

"This diagram... from the lid of Christian Rosenkreutz' tomb depicts the Higher Self enthroned in the candidate's (initiate's) psyche."

(Israel Regardie, Initiation, and Psychotherapy by Cris

Monnastre and David Griffin, Gnosis Magazine, Fall 1995, p. 41)

[Note: 6-pointed star is located on the RIGHT HAND]

Emblem of the Theosophical Society

"THE INTERLACED TRIANGLES, one (lighter) pointing upwards and the other (darker) pointing downwards, symbolise the descent of spirit into matter and its emergence from the confining limits of form. At the same time they suggest the constant conflict between light and dark forces in nature and man. When, as in the emblem, the double triangle is depicted within the circle of the Serpent, the whole of manifested nature is represented, the universe bounded by the limitations of time and space. The symbol of the interlaced triangles is known in the Hebrew religion as the Seal of Solomon or the Star of David."

### New Age

"A growing number of New Agers HAVE ALREADY UNDERGONE AN INITIATION CEREMONY AND ACCEPTED THE MARK. They almost universally report that although they approach the ceremony with dread and foreboding, after it is over... 'I discovered that the LINES ON THE PALM OF MY RIGHT HAND HAD BEEN ALTERED, and a portion of them now FORMED A SIX-POINTED STAR about an inch in circumference. It terrified me when I first spotted it... But as time went on, I learned to accept the changes within my body, and I really felt quite special.'" (Marrs: Mystery Mark, p. 39)

**A tattoo on the abdomen of a Wicca initiate**

Religion

Israel/Judaism

World Jewish Congress

"The HEXAGRAM was adopted by the Zionist Organization at the First Zionist Congress in 1897." (Cavendish, p. 1300)

### Flag of Israel

"While the State of Israel, in its search for Jewish authenticity, chose as its emblem the menorah... the Magen David (6-pointed star) was maintained on the national (formerly Zionist) flag." (Encyclopedia Judaica: Magen David", p. 697)

### United States

Great Seal of the United States of America  
Capitol Washington D.C.  
Original Name: Rome, Mary-land

### Hexagram above Eagles Head

Partial Resource: [Watch Unto Prayer](#)

*Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*

**REVELATION 13:18**
